Sauget Sites -- Area I

Dear Mr. Child:

Our firm represents Doris M. Tolbird, widow of James D. Tolbird, deceased.

Your letter of April 30, 1990, to James D. Tolbird about the release or threatened release of hazardous substances, pollutants and contaminants at the above-captioned reference area is acknowledged.

The real estate referred to in your letter was owned by James D. Tolbird and Doris M. Tolbird, as joint tenants, and Mrs. Tolbird, as surviving owner, is interested in taking part in negotiations with respect to remedial investigation and feasibility study for any property owned by her.

The property owned by Mrs. Tolbird was acquired by her and her late husband on July 31, 1979. The property has been used for parking for a short period of the time that it has been owned by the Tolbirds; otherwise, it has been vacant. No known improper use of the property has occurred since the Tolbirds became owners of it, and Mrs. Tolbird is unfamiliar with any improper use of the property prior to that date.

Enclosed herewith is a sworn statement in response to the request for information contained in your letter of April 30, 1990, signed by Mrs. Tolbird.

Please keep me advised with respect to this matter and give me

notice with respect to any meetings or other actions with respect to the Tolbird property.

Very truly yours,
